

Other Camping Accessories - C Gear Multimats

FEATURES:

- Specifically designed to keep sand and dirt to a minimum.
- Sand and dirt fall straight through the mat to the ground beneath, but not back up through the mat.
- Ideal for outdoor living areas and provides a sand and dirt free area for camping sites.
- Can be used as a shade mat (Providing 90%+ UV Protection), and as windbreak.
- Designed in Australia for Australian conditions by an Australian owned company.
- Constructed with internationally patented multi-layered knitted technology.
- The dual layered mesh makes the Multimats extremely durable and has "rip-stop" technology which will ensure that the mat won't tear or fray, even if it is cut.
- Lightweight.
- Designed to be moved from site to site, and is easy to set up and pack away as required.
- Each Multimats comes with its own drawstring carry bag.
- Made with reinforced edges and using brass eyelets / pegging rings every 50cm.
- Perfect for use under camp furniture.
- UV stabilisers minimise degradation of mats from exposure to the sun.
- Non-absorbent and will not rot or mould.
- Unaffected by salt and acidic ground.
- Liquid spills (drinks, etc) go through the mat.
- More environmentally friendly on the grass underneath the mat than tarpaulins.
- Product is recyclable.
- The mats not only look great, but are each made with two colours - green on one side & beige (ie sand coloured) on the other side.
- Low maintenance for campers, simply brush or wipe clean.

Drawstring carry bag containing a 2.4m x 6.0m (8ft x 20ft) size mat

Two-toned mat with brass eyelets
