

# UBT Setup on Various Vehicles

- UBT setup will **fit on the back of any ute**, regardless of whether it is a 2WD or 4WD; flat tray or well-sided (ie tub) ute; single cab, dual cab, or anything in between.
- **2 Sizes** - 7 foot tent & 12 foot tent.
- Tent able to be **opened out** of either the **end or side** of the vehicle.
- Provision to put full **annexes on BOTH sides** of the tent.
- Can put optional **room divider in 12 foot tent**.
- Can **attach legs and drive off**, leaving tent setup.
- When vehicle is driven off, 3 curtain flaps can be attached creating additional storage space under the tent area.
- The UBT bed base **dimensions** are 195 x 195cm, and 135cm off the ground.

If desired, can have tent sitting back, to maximize storage space behind cab
